

# HALF HOLLOW HILLS COMMUNITY LIBRARY

## WE'RE MOVING TO CHESTNUT HILL SCHOOL 600 SOUTH SERVICE RD., DIX HILLS

### Dear Residents

In June 2017, your neighbors on the Library's Board of Trustees made the decision to put forth a bond vote for a new library at 55 Vanderbilt Parkway. In October 2017, the community voted 2:1 in favor of the bond to tear down the Dix Hills branch.

On August 27, 2018, we signed a lease with the HHHSD, to temporarily relocate to Chestnut Hill School. Besides typical library resources, there will be 3 meeting rooms and 2 additional spaces that are usable during cooler weather. Thus, identifying a space with 5 meeting rooms to serve library programming and community groups.

During this transitional period, we need to modify the program schedule because there is limited parking at Chestnut Hill prior to 3 pm on weekdays and during soccer season.

In Fall 2020, when you return to 55 Vanderbilt Parkway, we will have a beautiful, state-of-the-art library with books, an auditorium, meeting rooms and large multi-purpose rooms dedicated to programming and services.

Thank you, Board of Education and the community for your continued support. Please bear with us; your patience is greatly appreciated. In the end, you will return to the library you **IMAGINE**.
