

BUSINESS LINK COLLECTION

Companies in the United States

Selected Sources

“Big companies are small companies that succeeded”

– Robert Townsend

The directories listed below give brief information about a company: address, phone number, size, assets, products and usually at least one company official.

America's Corporate Families
(Business Ref 338.0973 Ame)

D & B Regional Business Directory
(Business Ref 330.9747 Dun)

Dun & Bradstreet Million Dollar Directory
(Business Ref 338.0973 Dun)

In addition to directories and other reference books, the library has several computer databases for researching companies.

Business & Company Resource Center

Detailed company and industry information including company profiles, investment reports, company histories, chronologies and journal articles.

(Remote Access from homepage)

EBSCO Business Source Premier

Full text articles from over 2,800 scholarly business journals covering management, economics, finance, accounting, international business and more. This service is updated daily.

(Remote Access from homepage)

Plunkett Research

A leading information provider of industry research and analysis with emphasis on statistics, trend and in-depth profiles of leading companies in each industry.

(Remote Access from homepage)

Reference USA

Detailed information on 12 million U.S. businesses and 120 million U.S. household. Searching can be done by location, SIC code, number of employees, sales volume or executive name.

(Remote Access from homepage)

Standard & Poor's

The industry standard in equity analysis. Standard & Poor's covers 6,000 publicly traded companies on the New York, American and regional stock exchanges. This electronic version includes analysts' earnings-per-share estimates, an industry outlook and the latest news on the company.
